PROFILE

Founding President of strategic consulting, coaching, training, and transformation firm that works in the United States and internationally to develop inclusive excellence leadership skills and strengthen leaders' capacity to effect organizational transformation and social impact by advancing diversity, equity, and inclusion (DEI), public health, human rights, and global competence. Trusted, strategic executive consultant to nonprofit, academic, corporate, and government leaders and funders on strategic assessment, visioning, planning, partnerships, and implementation; vision, mission, and values alignment; racial, gender, and LGBTQ+ equity, intersectional DEI, and global intercultural competence; board, senior leadership, and staff team and trust building; and effective training and other capacity strengthening.

KEY SKILL AREAS

- Effective, inclusive senior leadership, board, and staff development
- Strategic assessment, visioning, planning, partnerships, and implementation
- Racial, gender, LGBTQ+ equity, intersectional DEI, and global intercultural competence
- Organizational development and transformation for social impact
- Global women's, youth, and LGBTQ+ health, sexual and reproductive health and rights, abortion, values clarification
- Training, coaching, facilitation, and mentoring
- Global movement-building, networks, advocacy, and communications strategies

PROFESSIONAL EXPERIENCE

Founder and President, Global Citizen, LLC, Durham, NC, 2011–present

Strategic assessment, visioning, and planning, organizational and leadership development, global public health, human rights, intercultural competence, diversity, equity, and inclusion capacity-strengthening consulting firm

- Provide organizational, business, and leadership development consulting services; design and lead strategic assessments and capacity-strengthening interventions for organizational leaders on vision, mission, and values clarification and alignment; strategic program planning and partnerships; global intercultural competence, intersectional DEI; global women's, youth, and LGBTQ+ health and rights; humanitarian health care; effective training, and other consulting expertise areas
- Design and lead professional development courses for leaders and practitioners in all sectors
- Teach capacity-strengthening classes and workshops for K-12, undergraduate, and graduate teachers, professors, and students
- Provide strategic leadership on the U.S. Global Leadership Coalition's N.C. Advisory Committee, N.C. Coalition for Global Competitiveness, and Duke University LGBTQ+ Network Board
- National Diversity Council's Consultant Network
- How Women Lead's Women Leaders for the World 2023-2024 Fellow

- Global Citizen, LLC is a vetted member of Nonprofit.ist and Consultants for Good curated, national consultant networks and a preferred equity consulting firm for the John Rex Endowment.

Adjunct Professor, UNC Gillings School of Global Public Health, Chapel Hill, NC, 1999-present
Top-ranking public health school department specializing in social, behavioral and health sciences

- Teach courses on global health leadership, systems and design thinking, global public health, global competence, women's and LGBTQ+ health and rights, abortion, health equity and addressing disparities, international policy and advocacy, strategic program planning, proposal development, effective training, and instructional design.
- Serve as expert on school-wide task forces, moderate events, and judge student competitions
- Design and supervise internships, practicums and team interventions, serve as preceptor and reader on masters papers and projects, and advise on global health careers and professional skills

Senior Advisor III and Manager, Ipas, Chapel Hill, NC, 2001-2016

Global nonprofit organization dedicated to improving sexual and reproductive health and rights
Conceptualized, funded and directed global, regional and country-based programs and organizational development and capacity-strengthening initiatives, developed strategic partnerships and led global health consortia to achieve strategic goals and results.

- Designed and established new county programs and designed, funded and led sustainable global, regional and country-based initiatives that achieved 100% of strategic goals and donor deliverables
- Directed the development and implementation of Ipas's global health systems guidance and standard operating procedures and training models and methodologies; created and managed a network of over 200 clinical trainers; led the development of more than 20 global organizational curricula and e-learning modules and IEC materials in 5 languages
- Developed and led a successful 18-month planning grant to conduct a landscape analysis, establish partnerships, assess opportunities and lead strategic planning, donor cultivation and resource mobilization efforts, raising nearly \$2 million of new and expanded government and private foundation funding and establishing a regional Francophone Africa program
- Led visioning, organizational transformation, leadership and business development workshops for thousands of donor, humanitarian, other NGO and government leaders on integrating new areas into their policies, strategic frameworks and existing programs and services
- Innovated, implemented and evaluated values clarification and attitude transformation (VCAT) interventions with thousands of government and NGO board members, staff and volunteers and demonstrated significant, positive transformation in knowledge, attitudes and behavioral intentions among thousands of individuals in dozens of countries. Built the capacity of Ipas, other NGO and government staff to lead VCAT trainings to increase support for service delivery and access to care
- Partnered with ministries of health to provide technical assistance and review of evidence-based service delivery standards, guidelines and protocols for over 20 countries
- Designed and led hundreds of trainings and capacity-strengthening interventions for trainers, physicians, midwives and other clinicians, lawyers, policymakers, funding agency staff, media professionals, community members and other audiences
- Led knowledge-sharing and technical innovation efforts by organizing and funding more than 10 global technical meetings; presenting more than 20 papers at professional conferences, publishing peer-reviewed journal and web articles and reviewing conference abstracts and journal articles
- Co-founded global abortion network; innovated expanded service delivery model and led strategic transformation of global Postabortion Care Consortium and provided thought leadership on multiple, multisectoral global and local health consortia

- Led development and review of multi-million-dollar donor proposals and reports for Ipas and reviewed grants for Gates Foundation, other donors and small grants programs

Associate Director and Manager, Health Education, Durham County Health Dept., NC, 1996-2001
Health department division responsible for providing education and disease management for the county
Strategically designed, directed, and evaluated award-winning health education programs, budgets, grants and reports and led county and statewide communicable disease education efforts

- Raised nearly \$1 million through 21 grants from private and public donors and co-directed \$1.1 million annual division budget
- Provided strategic direction on leadership team and local, state, and national steering committees
- Supervised 18 employees, developed work plans, conducted performance evaluations, and facilitated staff training and meetings
- Cultivated enduring partnerships with hundreds of partner agencies, donors, and community constituents
- Developed, facilitated, and evaluated hundreds of training curricula and seminars for professional and lay audiences
- Conceptualized, formed, and led Durham AIDS Awareness Month, HIV Testing Day, STI Awareness Month, and World AIDS Day planning committees. Lead member of Health Department domestic violence, epidemiology, managed care, and Public Health Month teams
- Published numerous newsletters and articles, made national presentations, and served as media spokesperson

Research and Graduate Assistant, University of North Carolina, Chapel Hill, NC, 1994-1996

- Designed, conducted, and analyzed research for nationally-funded sexually transmitted infection, childhood injury prevention, and domestic violence and female homicide studies

Assistant to the Director, Duke Geropsychiatry Institute, Butner, NC, 1994-1994

- Conducted research for and participated in psychiatric grand rounds and case studies

Health Education Supervisor and Trainer, U.S. Peace Corps/Ministry of Health, Togo, 1991-1993

- Designed, developed, and directed regional health education and community mobilization program in collaboration with The Carter Center's Global Health 2000
- Selected, trained, and supervised 13 village-based educators in water, sanitation, sexual and reproductive health education and outreach, epidemiological surveillance, social marketing, and revolving funds management
- Developed and led twelve-week, pre-service volunteer training program on community mobilization, project planning and evaluation, health and sexuality education, disease surveillance, and latrine and well construction

Counselor and Educator, Medical Care Center, Durham, NC, 1990-1991

- Conducted pregnancy testing and education and counseling on abortion procedure and follow up care, contraception, STI prevention and sexuality; managed information requests; scheduled appointments and served as operating room technician for thousands of clients

Information Specialist, National STD Hotline, American Social Health Association, RTP, NC, 1990-1991

- Responded to over 30 calls daily concerning transmission, symptoms, testing, treatment, and prevention of STIs and conducted research to supplement resource file

Teaching Assistant, Talent Identification Program, Duke University, Durham, NC, 1990

- Designed, taught, and graded college-level Introduction to Psychology course sections and conducted parent-teacher conferences for 25 academically-gifted eighth grade students

Co-President and Supervisor, Peer Information Services for Counseling and Education on Sexuality, Duke University, Durham, NC, 1986-1990

- Recruited, trained, and supervised 60 volunteers annually to conduct counseling and campus-wide health campaigns for students, staff, and faculty and served on student government

Teaching Assistant, Ecoles Secondaires, Paris, France, 1989

- Designed and taught interactive English lessons for French middle school students

Psychiatric Technician, Gundry Glass Psychiatric Hospital, Frederick, MD, 1988-1989

- Co-facilitated group therapy sessions and supervised and reported daily on adolescent and adult female clients' hygiene, activities, therapy, and progress

Staff Assistant, Linwood Home for Children, Baltimore, MD, 1987

- Monitored and reported on 20 autistic clients' activities, therapy, and skill development
